

# Keep / Life in pocket BOM

## Components

| Name                             | Quantity | Supplier   | Price / \$ | Link                 |
|----------------------------------|----------|------------|------------|----------------------|
| ESP32-S3-WROOM 1                 | 1        | Aliexpress | 4 +3       | <a href="#">Link</a> |
| OV5640 Camera module             | 1        | Aliexpress | 10 + 5     | <a href="#">Link</a> |
| Inmp441 Mic module               | 1        | Aliexpress | 2          | <a href="#">Link</a> |
| MAX98357A Audio Amplifier Module | 1        | Aliexpress | 1.4        | <a href="#">Link</a> |
| 4ohms 3W speaker                 | 1        | Aliexpress | 3.89       | <a href="#">Link</a> |
| 2inch ST7789 SPI TFT LCD Display | 1        | Aliexpress | 8          | <a href="#">Link</a> |
| TTP223 capacitance touch sensor  | 1        | Aliexpress | 1.5        | <a href="#">Link</a> |
| Adafruit sd card module 3.3v     | 1        | Aliexpress | 4          | <a href="#">Link</a> |
| GPIO expander MCP23017           | 1        | Aliexpress | 2.5        | <a href="#">Link</a> |
| IC socket 28 pins                | 1        | Aliexpress | 3.2        | <a href="#">Link</a> |
| USB 16 pin connector             |          | Aliexpress | 3          | <a href="#">Link</a> |
|                                  |          |            |            |                      |

|  |  |                     |       |  |
|--|--|---------------------|-------|--|
|  |  |                     |       |  |
|  |  |                     |       |  |
|  |  | Total with shipping | 55.30 |  |

### 3d Case - 3d printing cost

|                                   |
|-----------------------------------|
| Total / \$ (from printing legion) |
| 15 (approx)                       |

### PCB printing and assembly

|                     |
|---------------------|
| Total (from JLCPCB) |
| \$9 (approx)        |

**Total Project cost: \$80 (approx)**
